

## Personal Pronouns

**Language Focus**

- We have two sets of personal pronouns

Subject pronoun	Object pronoun
I	me
You	you
We	us
They	them
He	him
She	her
It	it

- We use the subject pronouns at the beginning of a sentence. They become the 2<sup>nd</sup> word in a question.  
e.g. Do I look smart in the cap. / We are a happy family.
- We use the object pronouns in the middle or at the end of a sentence. They come after verbs (e.g. gave) or prepositions (e.g. of).  
e.g. Daddy gave me this cap last Christmas. / Mom takes good care of them.
