A. Tony is writing a letter to his teacher. Please read the letter and answer the below questions.

Dear Mr. Chan,

I am writing to tell you how our class was delighted after winning the football match last week.

I still remembered that we lost the game last year. I hurt my ankle badly when I fell over. I burst into tears during the game. I felt warm as you stayed with me when I was upset. Thanks for taking me to the clinic afterwards. It was an unforgettable experience for me.

I can still remember when you took our team to Taipei last year. You introduced us the young football players when we were there. We learnt so much from them. We felt so excited that you took us to the night market. The food was yummy.

You are the kindest teacher we have ever met. We miss you very much. Do you enjoy the life in Taiwan? Will you come back to Hong Kong this year? Let us know if you do.

We are looking forward to hearing from you soon.
